

CONSENT FOR HYPNOSIS

I hereby agree, voluntarily and freely, to undergo hypnosis, and be interviewed under hypnosis in order to assist the Air Force Office of Special Investigations with an investigation in progress. I understand that, unless I request otherwise, a special agent of the Office of Special Investigations may be present during the interview. I also understand that a transcript or other method of preservation may be made of the interview and that the transcript or other method of preservation may be used for any lawful purpose connected with the investigation or action based thereon.

Dr. Hilder, a mental health professional, has explained the procedure(s) to be used and that, while recalling details of unpleasant events, I may experience some discomfort; but that apart from such discomfort there are no known risks or expected complications from the procedure to be used. The purpose of the interview under hypnosis is to assist my memory in recalling the following: the sightings of

Caucasian in Laos in 1978

I have also been informed that the interview room is equipped with a one-way mirror and intercom system or remote television monitor and, unless I desire otherwise, other persons who will be fully identified to me will be watching and listening to the interview.
